Practice Overview

Andrew Lewis KC has vast experience in all areas of personal injury and clinical negligence work, having specialised in these fields since joining the Bar. He sits as a Deputy High Court Judge. In Silk his practice largely consists of traumatic brain injury, spinal cord injury and cerebral palsy claims.

Andrew now concentrates on working as an Evaluative Mediator in personal injury and clinical negligence claims. He is an Accredited Mediator with the Society of Mediators and has successfully worked as Mediator and Evaluator for many years, creating protocols and providing training for an independent mediation and evaluation provider.

Legal Directories consistently rate Andrew as a Tier 1 Leading Silk for his personal injury and clinical negligence work.

"Andrew is as good as it gets. He is charming, sensible, pragmatic, an excellent lawyer, and an opponent that it is a real pleasure to be against. He is first-class for catastrophic loss claims." - The Legal 500 (2024)

"He is calm, measured, very astute and commercially minded, but not afraid to roll up his sleeves to get the right result." "Andrew is a joy to work with. He gets to the heart of complex medical causation issues with ease." - Chambers and Partners (2024)

"A consummate professional with an eye for detail and an unflappable courtroom manner. His advocacy is a model of clarity." - Legal 500 (2023)

"He is a superb negotiator and has everything you would want in an effective opponent: excellent judgement and knowledge, robust but fair and effective advocacy and huge charm." Legal 500 (2022)

"An excellent and very experienced silk. He is very calm, reassuring, thorough and always extremely well prepared." *"He is a polished advocate and a delightful opponent."* - Chambers and Partners (2021)

"A gifted advocate who has the ability to communicate well with families and put them at ease." *"He is highly skilled, extremely approachable, and excellent both in court and in negotiations."* - Chambers and Partners (2021)

"He is very detailed and thorough assessment of the evidence. He is excellent in conference with balancing the complex medical and legal points in discussions with experts and also making everything accessible for the client or litigation friend to follow the evidence and the views being discussed." - The Legal 500 (2021)

specialised in this field since joining the Bar. His personal-injury practice consists of catastrophic injury claims, particularly brain and spinal-cord injury cases. He is very experienced in work involving competing claims of exaggeration/fraud versus subtle brain injury/chronic pain/somatoform disorder. In his clinical negligence practice, he undertakes mostly serious cerebral palsy negligent-birth claims.

Chambers & Partners 2022 (PI) - Band 1 Silk

Strengths: "Very personable, pragmatic and a nice opponent in court. He fights his corner." "He is fantastic with clients and is able to simplify complex things. He is very user-friendly."

Chambers & Partners 2022 (Clin Neg) - Band 1 Silk

Strengths: "Exceptionally gifted and tremendously astute. He also has a good rapport with clients." "Very smooth, confident and always prepared within an inch of his life." "Excellent - he is pragmatic and prepared to roll up his sleeves and find a solution."

Legal 500 2022 - Tier 1 Silk

"Highly respected by opponents and judges alike, never flustered and always talks straight. Andrew's attention to detail is first class."

Clinical Negligence

Andrew has vast experience of all areas of clinical negligence work. He works for Claimants undertaking cases of all types up to the most serious cerebral palsy negligent birth claims.

Andrew has dealt with a wide range of claims with particular experience of Accident & Emergency and orthopaedic failures, obstetric claims (cerebral palsy/shoulder dystocia), paediatric cardiac surgery, delayed diagnosis of cancer, gastro-intestinal claims and failed cosmetic surgery.

Personal Injury

Andrew has vast experience in all areas of personal injury and clinical negligence work having specialised in this field since joining the Bar. He was a contributor to Butterworth's Personal Injury Litigation Service.

Andrew's personal injury practice consists largely of fatal and catastrophic injury claims, particularly brain and spinal cord injury case. Andrew is very experienced in work involving competing claims of exaggeration/fraud

versus subtle brain injury/chronic pain/somatoform disorder. His disease work is now largely based around asbestos induced mesothelioma claims. Andrew works for both Claimants and Defendants.

Andrew's work not only includes drafting, advising and court work but he attends a considerable number of Joint Settlement Meetings and Mediations in high value claims.

Directory Comments

Andrew Lewis QC is a highly regarded barrister who is noted for his vast experience handling claims involving injuries of the utmost severity. He also fields considerable expertise in cases involving allegations of fraud and exaggeration.

Strengths: "He is pragmatic, sensible and quick." "One of the most approachable QCs - he makes you feel completely at ease." "Always very well prepared and has excellent attention to detail."
Chambers & Partners 2022 (PI)

Leading silk who maintains an unparalleled practice in the North East. He focuses his skills on multimillion-pound cases and has an outstanding reputation for acting on claims involving serious injury and competing claims of fraud or exaggeration. He is also experienced in the handling of industrial disease claims concerning asbestos-based mesothelioma. He mainly acts for the defence.

Strengths: "Unflappable and well respected by his peers." "A legendary QC who is rightly regarded as one of the best around." "He is very pleasant to deal with, always well prepared and constructive in all his dealings. He is imaginative in the way he thinks about cases and looks for means which might aid resolution. He's pragmatic, has good judgement and does not waste time on points that will not advance his client's cause."

Recent work: Acted in a case concerning a claimant who suffered a severe traumatic brain injury following an RTA.

Chambers & Partners 2020 (PI)

He possesses deep experience in complex clinical negligence, and is frequently sought out to handle major birth injury claims that typically involve cerebral palsy and other brain damage to babies.

Strengths: "He was awesome: he was very human and personable, exceedingly knowledgeable, and he always made us feel involved in the process."

Chambers & Partners 2020 (Clin Neg)

Leading silk who maintains an unparalleled practice in the North East. He focuses his skills on multimillion-pound cases and has an outstanding reputation for acting in claims involving serious injury and competing claims of fraud or exaggeration. He mainly acts for the defence.
